Old Business:

1. **City Park:** Mayor Thomas announced that the new baseball field now has a scoreboard – courtesy of the Pepsi Cola Company. The Mayor announced that the grass around the trees in the park had been sprayed, that the ball field has been fertilized, that “yard work” in the park required 22-hours in the past month and that he believes that for the rest of the summer the averages weekly maintenance should be about 2-hours. Councilman Cape suggested a release form for anyone working for the city – even in a volunteer capacity. Councilwoman Dawe asked if the red Coca Cola wagon would remain at the park. Mayor Thomas explained that the ‘wagon’ was a short-term experiment to see if the selling of concessions would generate revenues. Concern was

also voiced concerning parking area for the park. Suggestions contributed by members of the council included lining the park, ^{positioning} of post, etc. Mayor Thomas stated that this would be a growing process. Councilwoman Dawe suggested that this issue be considered when establishing next months budget.

2. **Speed Break:** Mayor Thomas announced that the company hired to erect the first speed break was 'running behind' due to the weather, but that the signs were up and the 'breaker' should be going up next week. Further discussion by members of council indicated that the next location in need of a speed break should be near the Stop Sign at the 'fork' of Jefferson and Plantation Roads.
3. **Dedication of Ball Park:** Councilwoman Dawe announced that the Bishop Council would not know if they could come until after their meeting (which is being held tonight). Council agreed to provide refreshments and drinks for the event. The event will be held on Saturday, May 17, 2003.
4. **Budget:** Mayor Thomas asked the council for their ideas of what should be done and how the money should be allocated for the coming year.

5. Oconee Enterprise: request for the Town to purchase an add for the graduates of all Oconee County Schools. Councilman Johnson made a motion not to purchase this advertisement. Councilman Dawe seconded the motion. Councilman Cape, Ivie and Thomas abstained. The motion carried.
6. Mayor Thomas announced Homecoming services for High Shoals and announced that this years newsletter would include pictures of the members of the council. Councilman Johnson made a motion to have the city reimburse Mayor Thomas for the cost of production. Councilman Ivie seconded the Motion. Councilwoman Dawe abstained. The motion carried.
7. Web Site: resident Steve Holtzman suggested a Web site for the Town and said he would be willing to help establish this site.
