North High Shoals
Work Session on Zoning Update
August 27, 2012
7:30 p.m.

Present: Mayor Robert Beall and Council Members Steve Holzman, Jason Wisniewski, and Violet Dawe

Council studied the draft zoning map and discussed the zoning changes through the years. Council also discussed definitions and ordinances.

Council agreed on the need to have an updated, concise yet complete set of ordinances, as well as a current zoning map, for the town.

Council discussed the past rezoning requests and updates for the subdivisions, requirements for specific zoning districts and acreage, variance applications, floodplain, and how the map should be updated and revised.

Council discussed several parcels that need to be updated, or zoning corrected, on the April 9, 2012 draft map, including the property of the school, the town's park, cell tower, fire station, etc.

Council Member Holzman will redraw the map with the corrections for study at another work session.
