Mayor Bradberry called the meeting to order and welcomed all.

He declared a quorum and then directed council to the agenda, which was a discussion of the new town Hall.

Mr. Mark Campbell answered many questions about the eight RFP's had been submitted and the selected ones for consideration. The RFP's have been evaluated, references sought, and then organized in an excel spreadsheet. Discussion followed about the process, the contractors, possible over-runs or change-orders, and preparations at the park. The town's inspector, Morgan Wheeler, stressed the importance of providing a separate entrance for construction vehicles and materials. Council also asked Mr. Riddle (architect) about grades of materials, such as finishes and windows. Council ranked preferences. The decision of the selected contractor will be made at the regular council meeting on March 19, but early preferences are Peachtree and Spratlin and Sons. Others mentioned were Blue, Green & Red and Cook Construction.

There was no other business, no decisions were made, and Mayor Bradberry closed this called meeting.
